Dear Mrs. Scott

Thank you so much for your letter of Sept. 11, concerning my inquiry of Robert Melton (Melton).

Robert Melton is the name I was looking for. The name was changed from Melton to Melton somewhere along the line, but I wasn't sure where. My Robert's wife was named Sarah so this must be he.

Enclosed you will find a check for \$1.50 for Xerox copies.

Thank you for your quick service.

Do you have a record of ⁸⁰⁰⁷ Elias Waldron whose wife was Martha?

Sincerely,
Mrs. D. H. Dieffenwerth
