Dear Sir

I have continued the hunt for the ~~fact of~~ the statement of yours for June 28, saying that the Tax Books of Pasco County show the assessed valuation of my property at \$3,930.00 while there is nothing to it. The Tax collector told me he had made no such statement, and so did the assessor, and I consulted with the Clerk of the Circuit Court, and he told me that he had sent no statement, but would write you about it, as I wrote you some time back, and sent you my Tax receipts for 1916, which will show for them selves, and the stock, notes, & mortgage you point ^{out} was all included in the statement I first sent you, if you are not going to do any thing about it please me turn the papers I sent especially my Tax receipts & oblige yours J N.
