Dear Sir

Yours of June 28 received
contents carefully read and noted.
in reply will say the amounts
you give as gotten ^{from} the Tax Books of
Columbia and Pasco County is not
correct as you will see from
my Tax receipts which I am in-
closing with this statement for
1916. I fail to see how you got
the amounts so far wrong. The state-
ment I made with the applica-
tion for the Pension under
Oath and approved by the County
Commissioners is correct and
I fail to see why I should go to
the expense of making another
statement. I will soon be 77 years
old and sure would not make a faulty
statement knowingly. I served 4 years
and rendered good service in the war
of the States yours truly J N Milton
