Dear Miss Jefferson

If you remember I referred you to Mr. Randal McDonald at Fullford Florida concerning the whereabouts of Mr W. Cason of Capt J. B. Spencers Co, Mr McDonald had gone to Fullford on a visit, he lives here and he returned home Sunday, he is a gentleman and was a member of Captain J. B. Spencers Co, He told me on yesterday that Mr Cason with several others deserted his Co and was in the bushes at the surrender and he could prove it and if necessary would make an affidavit at any time, Mr Cason's widow lives in at Geneva in this County, there is no trouble to prove that Mr Cason was a deserter and that John V Brown the husband of America Brown never shouldered a musket during the war, Mrs Brown is a near relative of mine our fathers being Brothers. And I do know that she should be dropped from the pension rolls if you wish to write to Mr McDonald he would be very glad to give you the whereabouts of any member of Capt Spencers Co &c  
Please accept my best wishes for yourself and my old friend A. C. Long Yours to serve
